4 Section 5. The Emergency Medical Services (EMS) Systems Act
5 is amended by changing Section 3.225 as follows:

6 (210 ILCS 50/3.225)

7 Sec. 3.225. Trauma Center Fund.

8 (a) The Department shall distribute 97.5% of 50% of the
9 moneys deposited into the Trauma Center Fund, a special fund in
10 the State Treasury, to Illinois hospitals that are designated
11 as trauma centers. The payments to those hospitals shall be in
12 addition to any other payments paid and shall be in an amount
13 calculated under paragraph (b) of this Section.

14 (b) Trauma payment calculation.

15 (1) The Department shall implement an accounting
16 system to ensure that the moneys in the fund are

23 within one EMS region be redirected to another EMS region.

1 (3) The formula for distribution to individual
2 hospitals shall be based on factors identified in rules
3 adopted by the Department pursuant to this Act. No moneys
4 may be distributed to a trauma center located outside of
5 the State.

6 (4) If money collected from an EMS region cannot be
7 distributed to any trauma center in that EMS region because
8 the trauma center is located outside of the State, then the
9 Department shall distribute the money to other health care
10 facilities in the EMS region.

11 (c) The Department may retain 2.5% of 50% of the moneys in
